RE: NATIONAL DATA CENTER  
Chapter 13 Bankruptcy Case Information

Dear Attorney:

D. Sims Crawford, Chapter 13 Standing Trustee, has become a participating Trustee with the National Data Center ("NDC") to provide case information for a national database of Chapter 13 cases. Like most Chapter 13 Trustees nationwide, this office will provide case information daily to the NDC for password-protected access by debtors, their attorneys, and creditors via the internet.

This service is free of charge to Chapter 13 debtors and their attorneys, and represents a quick and reliable method for access to Chapter 13 case information 24 hours a day. For information about obtaining a User ID and password, please visit [www.13datacenter.com](http://www.13datacenter.com). The Trustee intends to mail the attached information sheet to Debtors with active Chapter 13 cases, and this information sheet will also be provided at the Section 341 creditor meeting dockets beginning this week. If you have any questions, you are welcome to contact the NDC or our office.

At this time, we intend to continue providing interim statements and other case information through the BankruptcyLink website provided by Epiq Systems, Inc. However, the procedure for access may change in the future.

Sincerely,

/s/ D. Sims Crawford
